LOGAN'S ROADHOUSE UNVEILS NEW SUMMER MENU ITEMS

Items include Pabst Blue Ribbon Beer-brined Chicken, Bacon on a Stick and many others

NASHVILLE, Tenn. (June 25, 2018) – PBR beer-brined chicken? Three pounds of St. Louis Ribs? Bacon on a Stick? These are only a few of the sizzling summer items at Logan's Roadhouse that hit restaurant menus today.

Traditionally known for its hand-cut and fresh-caught food, the all-American brand is taking signature grilling to a whole new level this summer season. While guests can still find favorites like The Onion Brewski Sirloin, Fried Cheese & Bacon Burger and French Dip Sandwich, these new sizzling menu offerings are the answer to the long, hot summer days ahead.

"At Logan's, our ultimate goal is quality through innovation, and this summer, we are taking our craft grilling to an entirely new level by breathing new life into fun offerings for our guests and friends," said Hazem Ouf, President and CEO of Logan's Roadhouse. "We want our enhanced menu to represent the feeling you get when you're at a block party: the taste, the smells, and the comradery with the friends and family you'd want to kick back, enjoy great food, and make new memories with."

Starting the week of June 25, Logan's Roadhouse guests will be able to enjoy a variety of carefully crafted meats synonymous with summer, incredible desserts and refreshing cocktails. The new offerings will be available at nearby restaurants and include creative items such as Hog Wild Sirloin, Brew-BQ Chicken, Bacon on a Stick, Rockin' Onion Petals, Lemon Herb Chicken, Cedar Plank Salmon, Grilled Peaches N' Cream and \$5 Tito's Electric Frozen Lemonade.
